Evaluation Process

Assessment of speaking skill will be taken after completion of each module. At the end of the course participants will be required to make a presentation (a five minute speech on any topic of the participant's choice). Attendance of participants will be also be taken into account for final gradation. The break-up of the weightage of marks in each category is given below.

Assessment of Speaking: 40 marks, Presentation: 40 marks and Attendance: 20 marks. Total 100 marks.
